# VERSAILLES CHECKERBOARD MARBLE

**NEMO**  
TILE + STONE

# VERSAILLES

Versailles introduces classic checkerboard flooring with the allure of marble in an exquisite palette of neutrals that exude luxury and sophistication. This porcelain tile collection was curated to elevate your interiors, drawing inspiration from the finest marbles around the globe. Its body features a smooth, silky texture with intricate veining details that embrace timelessness and millennial beauty.

Its soft, neutral palette provides multiple checkerboard pattern combinations. Combine white and black for a classic checkerboard that adds contrast to the space or choose gray and black for a mysterious contemporary appeal. Its crisp, rectified edges enhance the seamless aesthetic of the tile. The beautiful palette serves as a chromatic foundation while combining patterns breaks up the monotony, adding the right amount of intrigue.

Versailles' classic design is suitable for a variety of settings, including residential, hospitality, and commercial, and it is ideal for wall and floor applications. Create a glamorous entryway or a luxurious corridor—the possibilities are endless. This timeless design can easily integrate with most interior styles and décor, including modern, art deco, traditional, and contemporary.
