SALT LAKE
CONCRETE LOOK PORCELAIN TILE

V3/V4 Variation | Natural and Matte Finish

SALT LAKE

Our Salt Lake Collection is a stunning tribute to the awe-inspiring natural beauty of the Great Salt Lake. Each meticulously crafted tile mirrors the unique color palette shifts that occur across different seasons, providing an exceptional contrast of hues and a dynamic flow of oxidized colors. This collection serves as a gateway to nature-inspired design, featuring serene light tones for spring, rich darker tones for autumn-winter, and an exquisite terracotta pattern for summer.
