IPANEMA

The Ipanema collection, inspired by the eternal charm of Oskar Metsavaht's design vision, blends art and landscape with a Neotropical concept. This collection showcases a contemporary and 'carioca' aesthetic, encapsulating unique chromatic compositions. The black and white tones, reminiscent of small stones found on Portuguese boardwalks, are magnified into stunning close-ups. The collection oscillates between the pure geometry of squares and the sinuous allure of mosaics, enhancing the beauty of the famous 'carioca' sidewalks. Ipanema offers a unique pathway to elevate any space with its artistic and geometric charm.
