# LIGHTHOUSE

Introducing Lighthouse, a collection of tiles that embodies the spirit of the Portofino lighthouse that inspired the collection. It captures the beautiful effects of shifting weather on the sea and sand, bringing that natural beauty into your space. With its 2x10 glossy wall tiles, Lighthouse adds character and charm to any room. Just like the stairs leading to the top of the lighthouse tower, these flat and relief pieces are ready to elevate any design. Whether you're creating a stunning accent wall or adding a touch of sophistication to your bathroom, Lighthouse is the perfect choice.
