# SWIRL

Swirl is a myriad of minimalist and décor. Embracing texture, patterns, and color to bring life into your designs. The collection is available in a classic 5x5 square, ideal for wall applications, in a soft matte and glossy finish for unlimited composition possibilities. Swirl allows everyone to reflect their personality with bold colors and unique patterns to create an interactive experience with the space.

Its playful palette fits a variety of personalities and interior styles. From striking maximalism, drenched in patterns galore, to a classic demure glazed ceramic aesthetic, the possibilities are endless. This collection fosters fluidity through a dance of shapes and colors, evoking movement. The patterns—straight and curve—give dialogue between intertwining and complementing shapes.

Create a fun interactive statement wall with circular patterns or a shower wall that flows with movement or mixing match patterns and finishes on your kitchen backsplash. The combination of glossy and matte surfaces creates a play of contrast that adds visual interest. The harmonious palettes are suitable for any room within your spaces.

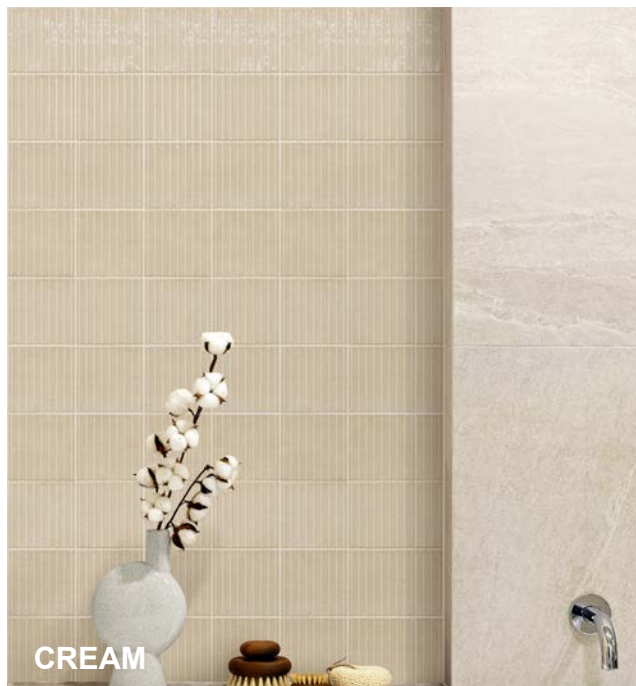

AMBER

## Why We Love It

---

- **Bright palette:** The wide range of color selections allows room for play and fits a variety of styles and personalities. Its unique fun patterns and pastel colors are ideal for commercial spaces such as bakeries, coffee shops, Ice cream parlor, etc.
- **Texture offers an interactive experience:** The flow pattern and texture allow for a tactile experience with the tile, creating a personable approach and adding the right amount of intrigue to your designs.
- **Demure maximalist:** Its colors and unique patterns are ideal for maximizing your creative expression and unique personality. Bring life into your designs, letting swirl take center stage in every room.
- **Playful patterns:** The ability to create unique patterns offers a fantastic opportunity for creative compositions. Create striking designs that evoke memorable conversations, adding character to the space.
- **Design flexibility:** Its classic size and shape are flexible, allowing effortless application within any space and fitting a variety of settings, including commercial, residential, and hospitality. Swirl's shape and harmonious palette seamlessly combine with other tiles and interior styles. Its matte and glossy finishes allow light play between shapes and patterns.
