PASTELLO

Pastello features 8x8 square terrazzo tiles available in eight stunning colors, each meticulously handcrafted to bring subtle depth and unique character to your space. Made from premium cement and embedded with carefully selected terrazzo chips, these tiles offer a harmonious blend of durability and artisanal beauty. The collection's refined palette draws inspiration from natural landscapes and classic Italian design, inviting warmth, elegance, and a touch of sophistication into both contemporary and traditional interiors.

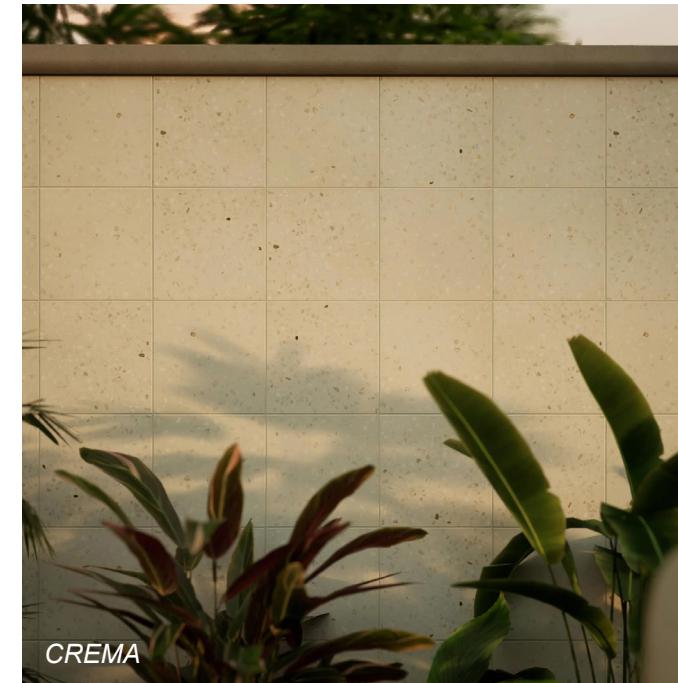

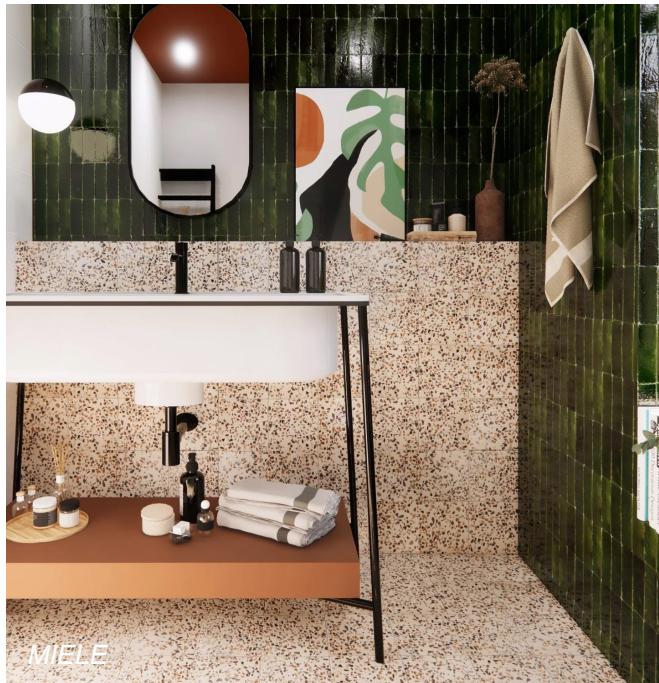

Pastello is suitable for floor and wall applications across residential and commercial settings. Pastello offers a luxurious foundation that captures the timeless elegance of terrazzo.

Why We Love It

- **Handcrafted distinction:** Each tile is hand-pressed by skilled artisans, ensuring every piece is a unique work of art with natural variations that celebrate authentic terrazzo beauty.
- **Timeless versatility:** Designed to complement both modern and classic interiors, Pastello offers a refined take on timeless Italian terrazzo that can elevate any space. Suitable for both wet and dry, interior and exterior applications, Pastello is perfect for kitchen, bathroom, patio, and commercial installations.
- **Enduring performance:** Made from premium, extra fine Portland cement powder and terrazzo chips. Pastello is built to last, providing lasting durability, perfect for high-traffic areas and long term wear.
- **Rich color palette:** From soft neutrals to bold statements, the collection's diverse hues evoke natural beauty and subtle elegance, allowing you to craft spaces that feel both vibrant and serene.
