DOCISSIMA

PORCELAIN

Introducing Dolcissima, an innovative and modern approach to porcelain surfaces. This meticulously curated porcelain slab collection is designed to mimic the look and feel of the most prestigious marbles.

The neutral palette complements a variety of tastes and interior styles, from modern and contemporary to traditional, seamlessly fitting into residential, hospitality, and commercial projects. Dolcissima features classic polished and honed marble finishes with a luxurious feel and the ability to book-match, creating a sleek, modern aesthetic.

With its innovative technical features, Dolcissima offers a hygienic solution with a non-porous surface and a resilient body that is resistant to chemicals, ensuring easy maintenance. Available in a 12mm thickness, this collection provides endless design possibilities. Whether for countertops, kitchen waterfalls, backsplashes, shower surrounds, or more, Dolcissima delivers a perfect blend of beauty, durability, and practicality.
