NATIVE METAL

Native Metal captures the eternal luxury of patinaed minerals and ores in a refreshingly unique porcelain and resin tile line.

Featuring six unique porcelain tiles finished with multiple glaze techniques, materials fuse into a product made for the generations. Resin wall accents formulated with real metals provide two rectilinear decorative pieces — waves and dots. Create even more impact with mosaics where porcelain and resin seamlessly combine into an extraordinary surface material. Carefully and responsibly made in the USA, Native Metal offers a luxuriously creative approach you can feel good about. For easy cleaning, request Cross-Sheen®.
