## INTRODUCTION

Nemo Tile + Stone is a leading provider of high-quality surface materials with a century-long legacy. Rooted in New York City, Nemo Tile is the trusted resource across the northeast and beyond, offering a strong network of retail showrooms and a curated selection of products. With a long-standing reputation built on trust, expertise, and personalized support, Nemo remains dedicated to helping designers, architects, contractors, and homeowners navigate their sourcing journey with innovative products.

## CASA NEMO

This year at BDNY, Nemo Tile + Stone features a curated selection of collections that redefine design surfaces. Casa Nemo represents the traditional beauty and craftsmanship of the Mediterranean, rooted in quality and heritage. This year, we present in partnership with Mutina, two new collections: Aurore and Dintorni. Alongside a diverse range of materials, from Italian terrazzo, natural stone, and zellige to our newest porcelain and ceramic collections. Discover playful decorative patterns in an immersive experience adorned with design-forward products.

Casa Nemo combines traditional craftsmanship, innovation, and creativity to design timeless spaces and inspire future projects. Every tile tells a story that invites new possibilities, delivering legacy, quality, and experience.

## A U R O R E

by Vincent Van Duyzen

Aurore and Dintorni explore the reimagination of the classic 8x8 square tile. These collections offer the beauty of color and texture through contemporary design. Aurore features subtle grid patterns with soft gradients that play with light and depth. Dintorni introduces playful geometric designs with subtle reliefs, adding movement and creativity to the collection. Together, they reflect artistry and modern sophistication.
