

SUSTAINABILITY CERTIFICATIONS

EPD AVAILABLE

An Environmental Product Declaration transparently details its environmental impact across its life cycle, from raw material extraction to manufacturing, use, and end-of-life.

HPD AVAILABLE

Health Product Declarations disclose detailed information on material ingredients and associated health considerations.

LEED CREDITS

Products with this designation may help building projects earn LEED® certification points for environmental responsibility.

RECYCLED CONTENT

Tiles labeled with recycled content contain a verified percentage of materials reclaimed and reused from pre- or post-consumer sources.

ECOVADIS SILVER

Achieving an Ecovadis Silver rating reflects a strong commitment to sustainability across environmental, ethical, labor, and procurement practices.

BREEAM

Products may contribute to BREEAM certification, a leading building sustainability assessment method globally, promoting lower environmental impact in construction.
