

## SUSTAINABILITY CERTIFICATIONS

### EPD AVAILABLE

An Environmental Product Declaration transparently details its environmental impact across its life cycle, from raw material extraction to manufacturing, use, and end-of-life.

### HPD AVAILABLE

Health Product Declarations disclose detailed information on material ingredients and associated health considerations.

### ZERO VOC

Zero VOC indicates that no volatile organic compounds are present, contributing to healthier indoor environments.

### UL GREENGUARD GOLD

UL GREENGUARD Gold certified products meet strict limits on chemical emissions, supporting high standards for indoor air quality.

### WELL V2

WELL v2 relates to standards set by the WELL Building Institute, recognizing products that contribute to occupant health, well-being, and overall building performance.

### LEED CREDITS

Products with this designation may help building projects earn LEED® certification points for environmental responsibility.

### BREEAM

Products may contribute to BREEAM certification, a leading building sustainability assessment method globally, promoting lower environmental impact in construction.

### ECOVADIS SILVER

Achieving an Ecovadis Silver rating reflects a strong commitment to sustainability across environmental, ethical, labor, and procurement practices.

### CERTIFIED B CORP

Madison comes from a certified B corp manufacturer. Verified by the nonprofit B Lab to meet high standards of social and environmental performance, accountability, and transparency

## SUSTAINABILITY CERTIFICATIONS

### **ISO 14064-1**

ISO 14064 certification signifies that a manufacturing facility measures, manages, and works to reduce its greenhouse gas emissions.

### **ISO 14001**

ISO 14001 certifies that a facility has an effective environmental management system, structured to minimize environmental impact and ensure regulatory compliance.

### **ISO 9001**

ISO 9001 certification signifies an operations' adherence to international standards for quality management systems and continuous process improvement.

### **ISO 45001**

ISO 45001 demonstrates that an organization has robust systems in place for occupational health and safety management, aimed at reducing workplace risks.
