NORIAN

Inspired by the fluid lines and organic textures of ancient limestone formations, Norian captures the essence of the classic stone in a versatile, contemporary format.

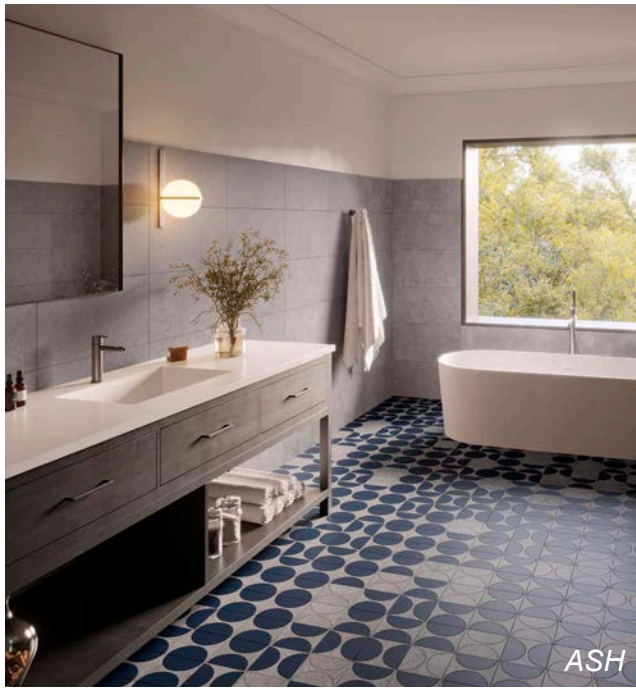

Choose from four sophisticated neutral tones that effortlessly complement any interior — soft beiges and warm grays reminiscent of sun-kissed quarries or cool, tranquil hues that evoke serene coastal cliffs. Available in both natural and polished finishes, Norian allows you to tailor the look to your desired ambiance.

Available in a full range of sizes to suit any design vision:

- Classic field tile: 24x48 and 12x24, for expansive, seamless surfaces
- Unique triangle pieces for dynamic geometric patterns
- Textured wall relief option to add depth and visual interest
- Two classic mosaic designs perfect for backsplashes and shower walls for intricate detailing
- Three vibrant mosaic options featuring pops of green, blue, and red for bold accents
- Trim pieces for a polished, finished look

Add the timeless beauty of limestone with the superior performance of porcelain to your space. Norian offers the perfect foundation for residential or commercial spaces looking to bring a sense of serene grandeur while blending classic design with contemporary decor.
