PASTELLI

A timeless favorite reimagined, Pastelli returns with a sophisticated new expression: the 1×1" hexagon mosaic. Expanding upon the beloved series of classic squares and rectangles, this hexagonal addition brings a contemporary geometry to a collection known for its subtle beauty and exceptional performance.

Crafted in full-body porcelain stoneware, Pastelli unites refined craftsmanship with modern innovation. Its soft matte finish and delicate palette of neutrals and muted pastels evoke a sense of calm harmony, perfect for serene, modern interiors. Designed for both indoor and outdoor applications, including pools, spas, and high-traffic spaces, Pastelli embodies function made beautiful. Each mosaic offers a tactile surface that feels handcrafted yet enduring, transforming simple arrangements into timeless design statements.

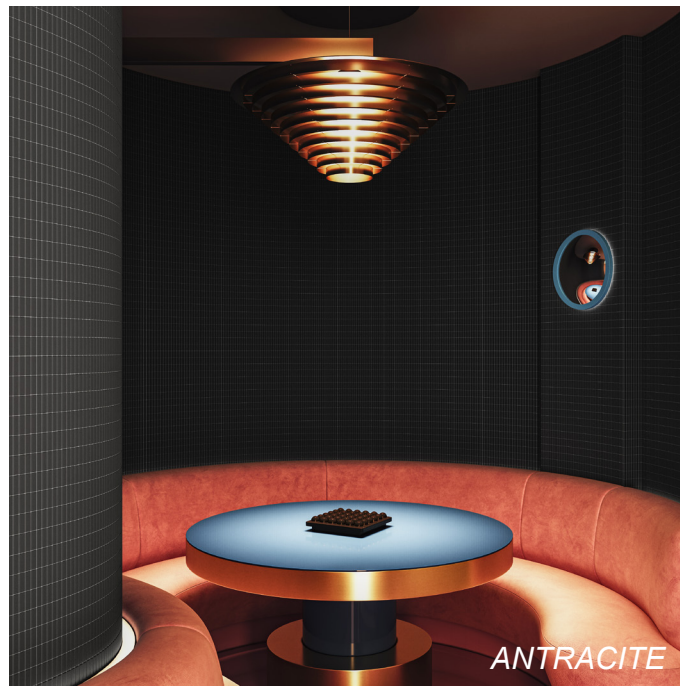

RUSCELLO

Why We Love It

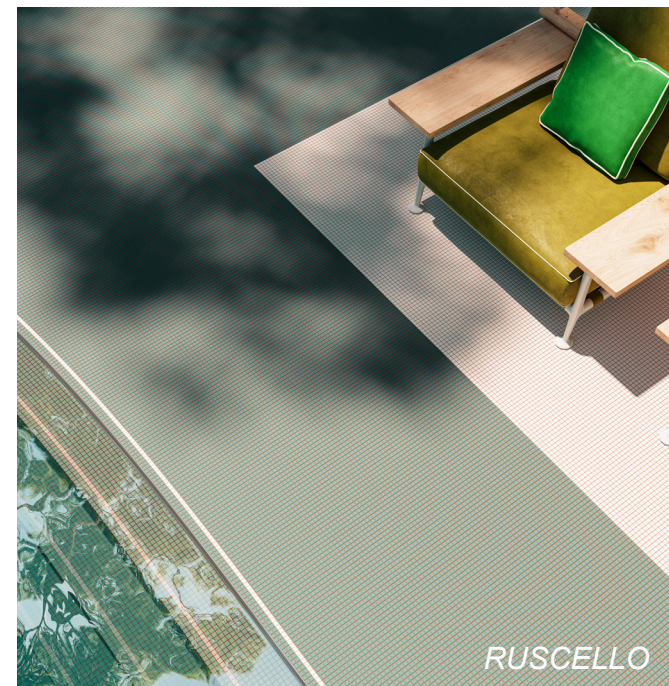

- **Design evolution:** A fresh hexagon format enriches the Pastelli story with dimensional geometry and modern elegance.
- **Enduring performance:** Full-body porcelain ensures color depth and longevity.
- **Soft tonal palette:** Balanced neutrals and contemporary pastels channel serenity and warmth across any surface.
- **Exceptional versatility:** Suited for walls, floors, pools, and exterior applications, blending beauty with performance.
- **Matte refinement:** The smooth yet textural finish adds quiet sophistication to residential and hospitality settings alike.

Sustainability

LEED CREDITS

Products with this designation may help building projects earn LEED® certification points for environmental responsibility.

EPD AVAILABLE

An EPD transparently details its environmental impact across its life cycle, from raw material extraction to manufacturing, use, and end-of-life.

ZERO VOC

Zero VOC indicates that no volatile organic compounds are present, contributing to healthier indoor environments.
