PURAFORMA

Discover Puraforma, a ceramic wall tile collection perfect for accent walls, adding sophistication through subtle textures and monochromatic beauty. This versatile series offers a perfect blend of form and function, designed to add a unique flair to any space with dynamic reliefs.

Choose from seven colors, carefully curated to suit any design vision from minimalist to eclectic aesthetics. Opt for soft warm hues like Vanilla and Almond, or take a bolder dramatic route with Pine and Indigo.

Puraforma offers creative freedom with two complementary sizes: a 18x48 relief tile and 4x8 subway tile. Create seamless walls with texture with the larger format wall tiles. Or create your own twist on the classic subway tile with your choice between a variety of relief designs and faces.

Puraforma's matte finish enhances its tactile appeal, inviting touch and creating visual intrigue. The long, tapered lines guide the eye and connect spaces, while the subtle reliefs play with light, casting shadows throughout the day.
