CERAMIC SUBWAY TILE

NEMO
TILE + STONE

WATERCOLOR

Immerse yourself in the fluid beauty of Watercolor, a ceramic subway tile collection that transforms walls into living canvases. This innovative series captures the essence of watercolor paintings, bringing depth and dimension to your space through a stunning array of colors.

Choose from nine contemporary hues that span the color spectrum. Opt for soothing neutrals for timeless elegance, warm oranges and terracottas that evoke sunset skies, refreshing blues reminiscent of clear waters, or vibrant Leaf green that breathes life into any room.

The brushstroke effect on the tiles, along with the high variation between tiles and glossy finish, plays with light and adds a dynamic vibrancy to your space. Perfect for creating striking accent walls that become the focal point of any room.
